Kepier

Consultation on changes to Kepier's uniform

January 2017

Uniform consultation

This leaflet is intended to gauge the consensus about a change of uniform from September 2017, for Years 7 - 10. Year 11 learners will continue with the present uniform including the grey sweatshirt. Your opinion is valued, so thank you in advance for taking the time to complete the consultation. Having spoken to some parents already, either at a PTFA Meeting, consultation and celebration evenings has helped to identify the issues that exist and the aim of this consultation is to find a solution that suits most families.

The wearing of school uniform provides a sense of belonging and encourages children to take a sense of pride in themselves and their school. We appreciate parents' support with their children wearing the correct school uniform every day. We are immensely proud of our school and whilst people 'should not judge a book by its cover,' we are aware that our school uniform could be changed to reflect our outstanding learners and school.

Thank you once again for your time to consider these options.
