

4 December 2017

Dear Parent/Carer

As you will be aware, we are thrilled to announce the commencement of our new build. Sunderland Planning Committee met last night and has given consent. Therefore construction will start working on the site in the next few weeks.

I wanted to give you as much warning as possible about the school closure in December 2018 and January 2019. The planned closure will be subject to conditions or events out of our control, but Y11 and Y10 exams scheduled in January 2019 will go ahead, no matter what. This closure of the current build is needed to transfer furniture, equipment, IT provision, phone system, fire equipment etc.

If you have any queries or concerns regarding this school closure, please contact your Year Manager.
