Kepier
Believe in you

July 2018

Dear Parent/Carer

Many thanks for taking the time to read about Kepier. It certainly is an exciting time to be part of the school and this community. Currently we are oversubscribed in Y7 and will face the same issue in the next academic year. We are a good school with many outstanding features and work hard to ensure that standards remain as high as possible.

We are half way through the new build project, which is looking amazing! Our Learner Voice Group have been taking pictures on a weekly basis, so look out for their pictures on our website. We are also going to organise an open evening to view the old building before it is demolished. This will take place in the autumn term and the date will be published on the website. We look forward to sharing past memories of the building with you and would encourage you to come along.

We are also about to commence the refurbishment of our 3G pitch over the summer holiday and when we return after the summer holiday, we should see a transformation to this well used facility.

We are moving towards a paperless and cashless environment, as are many businesses and schools. We would appreciate your support in helping us to do so and wherever possible encourage you to use Parent Pay for payments including lunch money, trips and events, emails/phone calls/App for communication.

Teaching and learning however is our number one focus and that said, the quality of teaching is second to none. We ensure learners are given endless opportunities to inspire them to achieve their very best. Furthermore we have worked hard over the past year to ensure Y11 learners have been well prepared for the new GCSE examinations.

We pride ourselves on the outstanding behaviour in school and our dedicated staff team go 'out of their way' to support all children in our care. We make no excuses for having high standards; whether this be in lessons, uniform, or behaviour. It is important to give learners the very best start in life and learn from their mistakes in a supportive, fair and tolerant environment.

Our main aims can be summarised as **ACT**:

- Attendance** Excellent attitudes to learning
- Culture** Creating the right culture for learning and building on British Values
- Targets** Ensuring we achieve high standards in everything we do

Finally, year 7 learners start at 8.30 with all other year groups starting at 10.50am on Tuesday 4 September, have a wonderful summer holiday and I look forward to seeing everyone in September.

Best Regards

Nicola Cooper
