Believe in you

21 September 2018

Dear Parent/Carer

It was a pleasure to welcome learners back to school, uniform standards continue to be very high and we will work hard to maintain this as the term progresses. You should have all received a standards booklet over the summer, if you have any queries please do not hesitate to contact the relevant Year Manager.

As you will be able to see the new school building is progressing well and we expect to be moving in as planned, a reminder of the moving schedule is below.

**Important Dates This Term**

**Year 11 Information Evening - 10 October**

**Half term - 22/26 October inclusive**

**Year 7 Parents Evening - 21 November**

**Christmas closure - 21 December**

**Year 10 and year 11 return for trial exams - 7/11 January**

**Inset Day - 14 January**

**All Learners Return - 15 January**

As always we start the year reminding learners of the importance of attendance and how it acts as the foundation for their school life and beyond. The facts remain very clear when learners improve their attendance rates, they improve their academic success. If your child is not in school they are not learning.

We are looking forward to a happy, hard-working and successful year for all.

Yours faithfully

Mr R Giles  
Acting Principal
